Call to Worship

Leader: Gracious and loving Creator, we come today in summer joy.

People: We come to celebrate your love in our midst;

Leader: we come here secure and assured

People: of your forgiveness and truth,

Leader: your salvation and joy,

People: your sustaining love and your alluring will.

Leader: Yet in this hour we know, too, and confess our weakness,

People: our faltering faith, our doubts, and our lives so busy that we are not still and do not remember that YOU are God.

Leader: Lead us, great God, in faith, through the hours and days ahead

People: to be still, to remember, to glorify you and to serve one another.

PRAISING

Sing: This is the day...that the Lord has made.

Let us rejoice... and be glad in it.
