Prelude to Worship

*Call to Worship

Based on Isaiah 58

Lord you call us to worship with passion and honesty:

May we not merely put on an act!

For you have told us the kind of worship you want:

You call us to free those who are wrongly imprisoned;

to lighten the burden of those who work for us.

To let the oppressed go free,

and remove the chains that bind people.

**To share our food with the hungry,
and give shelter to the homeless.**

**To give clothes to those who need them,
and not hide from relatives who need our help.**

May your salvation come like the dawn,
and your godliness lead us forward.

Protect us with your glory and give us water when we are dry.
